

Romance at Disney World

Are you looking for romance at Disney World? Disney can be romantic for couples. Most people think of Disney as just a family destination, but it is so much more. Tim and I spent years visiting Disney World, before the kiddos! Lush, lavish environments await you as do an endless array of romantic activities. Dine on sumptuous meals in the finest restaurants, pamper yourself with luxurious accommodations and settle into a satisfied state of complete relaxation.

Here are some suggestions to make your Disney World even more magical...

Romantic Restaurants at Disney World

California Grill at Disney's Contemporary Resort

Enjoy a vibrant and charged atmosphere and watch culinary masterpieces being created in the on-stage kitchen. Delight in sushi, brick oven- baked flat breads, handmade Sonoma goat cheese ravioli, oak-fired pork tenderloin or butterscotch crème brûlée. Accompany your meal with specially selected and limited wines from California's finest estates. Plan your meal around Happily Ever After Fireworks at Magic Kingdom to make your romantic dining experience, even more magical. California Grill has a spectacular view of Magic Kingdom for the Happily Ever After Fireworks!

Hollywood Brown Derby at Disney's Hollywood Studios

Dine like a celebrity in the Golden Age of Hollywood at this classic eatery. This gourmet American cuisine restaurant is an authentic replica of the original Brown Derby that was a longstanding Hollywood landmark and a haunt for Tinseltown's brightest stars. Its celebrated caricatures even grace the walls. Add some extra value to your romantic dinner with the Fantasmic! Dinner & Show Package that includes a guaranteed seat at the Fantasmic! Show. This is a free perk when you book this package at Hollywood Brown Derby.

San Angel Inn in Mexico at Epcot

Step into an authentic Old Mexico-style rancho to experience the warmth and savor the subtle flavors and spices of authenticity. Modeled after a hacienda that dates back to 1692, this landmark restaurant specializes in dishes such as grilled tenderloin of beef, grilled shrimp and Mahi-Mahi. This is one of the most romantic restaurants at Disney World inside the pyramid in Mexico at Epcot.

Adult Entertainment at Disney World

IllumiNations: Reflections of Earth at Epcot

Witness a thrilling nighttime kaleidoscope as the sky erupts with over 1,100 pyrotechnic bursts and the extraordinary Earth Globe floats across the lagoon, revealing wonders of the seven continents on its curved screens - the first ever of their kind. Revel in rousing original music as the lasers turn the very sky into a work of art. To add to the romance, book a World Showcase restaurant before the IllumiNations show. You can dine and then enjoy the spectacular show around the World Showcase Lagoon.

Happily Ever After Fireworks at Magic Kingdom

Make a wish upon a star and marvel as the nighttime sky comes to life in a musical firework spectacular that is uniquely Disney. Happily Ever After features a dazzling array of never-before-seen fireworks and pyrotechnic effects created specifically for this amazing show.
