Lightsaber Instructions

You will need:

- 1 empty paper towel roll
- 1 fluorescent poster board, standard size (22" x 28")
- Glue or Tape

Lightsaber Instructions

- 1) Print and cut out the hilt (handle) artwork. Wrap the artwork around an empty paper towel roll, starting with the bottom half of the hilt.
- 2) Glue or tape the artwork to secure it to the empty paper towel roll.
- 3) Roll a standard size fluorescent poster board so that one end is slightly wider than the other end.
- 4) Insert the wider end of the poster board into the empty paper towel roll so that it extends from the top of the hilt. Adjust the rolled-up poster board so it fits snugly inside the hilt.
- 5) Secure the rolled-up poster board to itself and to the hilt with clear tape.
